*The People of the State of Nevada, represented in Senate and Assembly, do enact as follows:*

SECTION 1. All books, maps and charts now belonging to, or which may hereafter come into possession of this State, by purchase or otherwise; all books, maps, charts, pamphlets and other documents which by any State officer may be received in their official capacity from the General Government, or in exchange from other States or Territories, or received from foreign nations, or donated to the State by any person or corporation, shall be placed in the State Library, and shall be carefully preserved by the Librarian.

SEC. 2. The Secretary of State shall be ex-officio State Librarian, and shall take charge of the Library and all papers and furniture properly belonging thereto, under such regulations as are herein provided, or which may hereafter be prescribed by law. He shall be responsible for the safe keeping of all the

property of the State Library, and shall cause all the books, maps, charts, pamphlets and other documents thereof to be impressed with the proper stamp or seal, after the same shall have been procured by the Directors hereinafter named. Said Librarian shall at all times keep, in a convenient place in the Library, a catalogue of the books belonging thereto, for reference. He shall annually, by the first Monday in January, report to the said Board of Directors the condition of the Library, and recommend such additions thereto and improvements therein as he may think advisable for the interests of the same.

SEC. 3. Books may be taken from the State Library by the members of the Legislature during its sesion, and at any time by the Governor and other officers of the Executive Department of this State, who are required to keep their offices at the seat of Government, the Justices of the Supreme Court and the Attorney General; *provided*, that no person shall be permitted to have more than two volumes of miscellaneous works from said Library at the same time.

SEC. 4. The Librarian shall cause to be kept a register of all the books issued and returned at the time they shall be so issued and returned, and none of the books, except the laws, journals and reports of this State, which may be taken from the Library by members of the Legislature during the session, and law books taken by the Judges of the Supreme Court, shall be retained more than two weeks, and all the books taken by the members of the Legislature shall be returned at the close of the session.

SEC. 5. If any person materially injure or fail to return any books taken from the Library within the time prescribed in the foregoing section, he shall forfeit and pay to the Librarian, for the benefit of the Library, three times the value thereof, or of the set to which it belongs.

SEC. 6. All fines, penalties and forfeitures accruing under and by virtue of this Act shall be recoverable by action of debt, before any Justice of the Peace Court having jurisdiction of the same, in the name of the "State of Nevada," for the use of the State Library; and in all such trials the entries of the Librarian, to be made as hereinbefore described, shall be evidence of the delivery of the book or books, and of the dates thereof; and it shall be the duty of such Librarian to carry the provisions of this Act into execution, and bring suit for all penalties or injuries mentioned in this Act.

SEC. 7. Each and every officer of this State, civil and military, except Commissioners of Deeds and Notaries Public, shall, at the time of the issuance of his commission, and before entering on the duties of his office, pay the Secretary of State the sum of five dollars, which, with all fees of whatever character, by the laws now in force, or which may hereafter be provided to be charged and collected in the office of Secretary of State, shall constitute a portion of the Library Fund; and the Secretary of State shall exhibit an account of, under oath, and pay to the State Treasurer at the end of each quarter, dating from the first day of January, all moneys collected under this Act, and the same, together with such other revenues as are hereinafter provided, shall be reserved, set apart and appropriated exclusively as a State Library Fund.

SEC. 8. No person shall be permitted to practice as an attorney or counselor at law, or admitted as such by the Supreme Court or any District Court of this State, until he shall have paid to the Clerk of said Court the sum of ten dollars, which amount shall, at the times mentioned, and under like conditions, be paid by the Clerk of such Court to the State Treasurer as a part of said Library Fund; *provided*, that the provisions of this section shall not apply to such persons as have heretofore paid such fee into the Library Fund of Nevada Territory. And all moneys which have been or may hereafter be collected and

SEC. 9. The Governor, State Controller and Attorney General shall constitute a Board of Directors for the State Library. They shall have power to draw from the treasury, at any time, all moneys which may be therein, belonging to the State Library Fund, and to expend the same in the purchase of suitable furniture, books, maps and charts, and binding of laws, journals, reports, pamphlets, and other documents, which may be in a condition requiring such binding, for the State Library, aforesaid. In the purchase of books regard shall be had for the procurement first of such works on law and reports of judicial decisions as they shall think best suited to the wants of the Supreme Court.

SEC. 10. The Directors of the State Library shall, from time to time, establish all needful rules for the government, safe keeping, and judicious use of the furniture, books, maps, charts and effects thereof, but they shall not permit any person other than the officers mentioned in this Act, to remove from the Library any book, map, chart, or other publication thereto belonging Said Board of Directors shall, on the first Monday of January in each year, furnish to the Governor, to be submitted by him to the Legislature, when organized, a full report of the purchases and expenditures for the preceding year, and the amount of moneys drawn from the Treasury, together with a copy of such rules and regulations as they may have adopted for the government of such State Library; also the report of the State Librarian, with such recommendations as said Board may deem advisable, in connection with the affairs of said Library.
